Nutricell Marks a New Era of Global Expansion with 2024 Export Launch to Japan

25 January 2024 | News

Nutricell is allset to launch of our export operations to Japan on January 25, 2024. This event, taking place at PT. Nutricell Pacific in Tangerang Selatan, marks a milestone in our commitment to delivering superior quality and innovation beyond borders.

Nutricell is allset to launch of our export operations to Japan on January 25, 2024. This event, taking place at PT. Nutricell Pacific in Tangerang Selatan, marks a milestone in our commitment to delivering superior quality and innovation beyond borders.

Japan, known for its stringent quality standards and innovative market, is a crucial step in our global expansion strategy. Nutricellâ??s entry into this market is not just a business expansion; itâ??s a testament to our unwavering dedication to quality, sustainability, and excellence in animal nutrition and health solutions.

The export launch will be honored by the presence of the esteemed Minister of Agriculture of The Republic of Indonesia, who will officially inaugurate our journey into the Japanese market. This high-level endorsement underscores the significance of this venture for both Nutricell and the broader agricultural sector in Indonesia.

Our journey to this point has been fueled by relentless innovation, deep market understanding, and a commitment to sustainability. The expansion into Japan aligns with our vision of being at the forefront of the animal nutrition and health industry, not just in Indonesia but globally.

As we celebrate this new chapter, we also reaffirm our promise to our clients and partners. Nutricell is more than a brand; we are a symbol of trust, quality, and progressive solutions in the animal nutrition and health sector. Our foray into Japan is just

the beginning of many more strategic expansions we envision in the future.

We invite our partners, stakeholders, and the media to join us in this celebration. Letâ??s mark this momentous occasion together as we unveil Nutricellâ??s Horizon: Bridging Markets, Expanding Futures.

Stay tuned to our website and social media channels for more updates and insights into this exciting development.
