15 February 2024 | News

Flagship event ofÂ PMFAIâ??sÂ International Crop Science Conference & Exhibition (ICSCE 2024 Dubai) took place in Dubai on 8-9Â February 2024 gathering agrochemicals, agri-biological and allied products industry, to develop strategic and sourcing relationships with international companies

Flagship event ofÂ PMFAIâ??sÂ International Crop Science Conference & Exhibition (ICSCE 2024 Dubai) took place in Dubai on 8-9Â February 2024 gathering agrochemicals, agri-biological and allied products industry, to develop strategic and sourcing relationships with international companies

ICSCE is a major Agri Input event for Agrochemicals (includes Fungicides, Herbicides, Insecticides), Bioproducts (includes Bio pesticides, Bio Fertilizers, Bio stimulants and all biological products), AI and intermediate (solvents, Surfactants, intermediates etc.), Fertilizer, Packaging, Seeds, Storage & Logistics, Research Laboratories.

PMFAI President Pradip Dave opened the two-day event with a warm welcome address on 8 February 2024. David highlighted the importance of the event which has come a long way since PMFAI's first event in 1997.Â The ICSCE is an international trade platform for the agrochemical, agri-biological, and allied industries, designed to develop strategic partnerships with international companies and develop an understanding of current trends in agrochemical, agri-biological, and allied industries. Aside from improving the health of the generic pesticide industry, ICSCE is a global event organized by PMFAI that brings together researchers in agriculture, pesticide manufacturers, agrochemical traders, agricultural biological industries, and allied industries.

After organizing its first event in Mumbai, India in 1997, ICSCE has emerged as a premier Agri Inputs event connecting the world of agrochemicals, agri-biology, and agriculture. ICSCE provides opportunities for business expansion by way of joint

ventures, bilateral trade, subcontracting / contract manufacturing and distribution and networking opportunities for buyers and sellers to benefit mutually.Â ICSCE 2024 Dubai witnessed tremendous response with active participation of delegates from across the globe.

Around 91 leading companies showcased their product portfolios during the two days of ICSCE 2024 Dubai. With over 1,200 plus registered delegates participation and over 2,500 footfalls, the event was a great success.

The event also hosted PMFAI- SML Annual Agchem Awards ceremony at the gala night to award the contribution by the Industry in various category, witness the ceremony to know emerging global leaders from India.

The ICSCE provided great opportunity to stand distinguished amongst more than 1200 delegates to promote the business, and you may choose from various types of Sponsorshipâ??s and exhibiting opportunities. Position yourself and stand out from others.
